

Suggested ages: 0-2

As you look through this book, you will think of many ways to share it with your infant or toddler.

Here are a few ideas to get you started.

- Follow the lead of this book's playful caregiver and child: dance together, hug, tickle, play peek-a-boo.
- Talk to your baby or toddler about other activities the two of you will do together - today and in the future. Pretend she understands every word.
- Introduce your child to "color-talk" by pointing to and naming this book's bright colors. Then point out these colors in your home, at the grocery store, everywhere you go.

There's a world full of color out there. Have fun introducing colors to your child!
