Economic Crisis Information

New policies implemented for the economic crisis include: 1) Revert to more sustainable granting levels (similar to grantmaking levels between 2004 and 2006); 2) For each organization, the foundation will not approve more than one grant per year for the same project/purpose; 3) Because of the foundation's emphasis on site visits, the foundation has a geographical focus where it awards grants. With some exceptions, this area includes MT, NY, and VT, and organizations working in Indian country; The foundation will not generally award grants over 20 percent of an organization's operating revenue excluding in-kind contributions; 5) Grants made to organizations that are new to the foundation will be smaller and include more reporting until a better relationship is established. The foundation is also making Early Childhood Care and Education a priority in its grantmaking. To this end, the foundation makes grants to non-profit organizations for general, program or scholarship support of their work with low-income, at-risk, underserved youth and children. The foundation may provide limited support for quality improvement, capacity building and advocacy for these organizations either directly or through intermediaries. The foundation's focus remains on non-profit child care centers, pre-schools and out of school organizations with limited support for school-centered programs, non-profit schools and young adult transitional programs. The foundation has special interest in helping Native American children, youth and their families, especially those in the Dakotas, ID, MT and WY.

Background

Incorporated in 1962 in NY.

Limitations

Giving primarily in MT, NY, and VT; limited funding in, ND, Minneapolis, MN, OR, SD, and the Northwest. No grants to individuals, or for capital grants.

Purpose and Activities

Major interest in programs helping economically disadvantaged young people become able to survive and thrive on their own, with preference to smaller, comprehensive programs that are integral parts of their communities' networks of services.

Program Area(s)

The grantmaker has identified the following area(s) of interest:

Arts Fund

Support for programs that seek to inspire creative expression in people of all ages, abilities, and income through their connections and exchanges with artists and their artistic activities. This is an un-endowed, pass-through discretionary fund. Grants from this fund are suggested by the trustee.

Environmental Fund

Support for programs that seek to protect, promote and foster a love for the environment, especially through education. This is an un-endowed, pass-through discretionary fund. Grants from this fund are suggested by the trustee.

General Fund

This fund supports organizations that help provide a bridge to a life of greater opportunity to low-income, at-risk, underserved youth and children. The foundation believes that these children deserve assistance that is holistic and long lasting. This assistance should address significant factors that impede success in education and in life.

Sky and Earth Fund

The focus is on programs that support, promote and foster a love for science, especially astronomy, as well as programs that work to ensure affordable housing for generations to come. This is an un-endowed, pass-through discretionary fund. Grants from this fund are suggested by the trustee.
