McKenzie River Gathering Foundation's Philanthropy Promise

Background

Established in 1976 in OR.

The foundation is a signatory to Philanthropy's Promise, and consequently, will be committing a significant percentage of their grantmaking dollars to meeting the needs of underserved communities, including the financial support of advocacy and civic engagement.

Limitations

Giving limited to OR.

No support for schools, co-ops, or social services.

No grants to individuals.

Purpose and Activities

The foundation funds Oregon-based organizations that organize people to work for progressive social change. It aims to champion groups that challenge the vast social, economic, and political inequities that exist in society, with the goal of creating a peaceful, just, and environmentally sound world. The foundation's grantmaking focuses on efforts within communities that bring people together to address issues in the following areas: human and civil rights, racial justice, economic justice, environmental protection, peace, and international solidarity.

Program Area(s)

The grantmaker has identified the following area(s) of interest:

Critical Response Grants

This fund works to support projects responding to an unanticipated event, opportunity, or crisis that involves organizing people to address an immediate social change issue. Applicants must be based in Oregon and have an organizational budget of \$500,000 or less. Grants of up to \$2,000 will be made available.

General Funding Cycle Grants

Grants of up to \$20,000 are available to Oregon-based organizations that champion community organizing for progressive social change (addressing the root causes of critical social justice issues by bringing people together and building their power to change political, social, and economic systems that perpetuate injustice) and/or dismantle oppression (proactively confronting privilege and dismantling oppressive structures, both within their own organizations and in the broader community). Two types of grants are available: Community Grants (up to \$10,000 for small and emerging community-based groups that have a budget under \$100,000) and Leadership Grants (up to \$20,000 for larger and more established community-based groups with budgets between \$100,000 and \$500,000)

Lilla Jewel Fund for Women Artists

This fund promotes the work of women artists, particularly women of color and queer women, through: inspiring grantees to see the potential of adding art as an organizing tool; using art that especially reflects the struggles and vision of marginalized communities, including people of color and queer or low-income people; providing grantees with access to women artists who will help them create artistic tools and teach them how to create tools on their own in the future; and supporting grantees to make grate use of the tools.

Peace Fund

This program supports Oregon-based organizations that work to build connections between peace and social justice, drawing new people into progressive movements, and organizing to direct policy and resources away from war and into peace and social justice. The fund supports groups that are organizing effective opposition to U.S. national security policies, opposing unjust international wars and military actions, developing peaceful alternatives to highly-militarized foreign policies, countering nuclear arms proliferation, and advocating for the decommissioning of nuclear power plants and the appropriate disposal of nuclear waste. Eligible organizations must have an operating budget of \$300,000 or less; priority will be given to groups that work on the grassroots level to dismantle oppressive structures, such as racism,

sexism, classism, heterosexism, and ableism. Grants of up to \$5,000 will be awarded.

Travel Grants

The purpose of the program is to provide up to \$1,000 in funding to smaller Oregon social change groups who have previously received funding from the foundation, to enable their representatives to participate in conferences or training opportunities. Groups must have an overall organizational budget of \$300,000 or less; proposals should assist in the group's organizational development and/or further the social change organizing of the applicant organization.

Fred G. Meyer‡

Background

Trust established by will in 1978; obtained IRS status in 1982 in OR.

Born in 1886 into a family of Brooklyn grocers, Mr. Meyer traveled west in 1905, working his way through the wheat fields of the Dakotas and Montana, and the gold fields of Alaska. After building a door-to-door coffee business in Oregon, he established a coffee retail outlet in a downtown street market that he subsequently managed. Next, he invested everything he had in an "all package" grocery store. At the time of Mr. Meyer's death five decades later, the Fred Meyer chain of stores employed more than 13,000 people on annual sales exceeding \$1 billion.

The trust is a signatory to Philanthropy's Promise, and consequently, will be committing a significant percentage of their grantmaking dollars to meeting the needs of underserved communities, including the financial support of advocacy and civic engagement.

Limitations

Giving limited to programs operating in the state of OR and Clark County, WA.

No support for sectarian or religious organizations for religious purposes, for animal welfare organizations, animal-assisted therapy programs, or projects that primarily benefit students of a single K-12 school (unless the school is an independent alternative school primarily serving low-income and/or special needs populations)

No grants to individuals or for endowment funds, annual campaigns, general fund drives, special events, sponsorships, direct replacement funding for activities previously supported by federal, state, or local public sources, deficit financing, acquisition of land for conservation purposes (except through Program Related Investments), or hospital capital construction projects (except through Program Related Investments)

Purpose and Activities

The trust works with and invest in organizations, communities, ideas and efforts that contribute to a flourishing and

equitable Oregon.

Program Area(s)

The grantmaker has identified the following area(s) of interest:

Grassroots Grants

Grassroots Grants range from \$1,000 to \$40,000. This program is limited to tax-exempt organizations operating in Oregon and Clark County, WA. The Grassroots Grants program allows the trust to assist a large number of worthy organizations with a wide variety of small projects that are limited in scope, but nevertheless significant for the applicant organization. The maximum organization budget is \$2,000,000. It is unlikely that many of these grants will go to large organizations. Guidelines available on the trust's web site. Online application.

Matching Gifts

The trust matches the monetary gifts and donated time of its employees to charitable organizations.

Program-Related Investments

MMT seeks opportunities to make program-related investments (PRI's) to strengthen and expand the impact of the trust's work in Oregon and Clark County, WA. PRIs take the form of loans, loan guarantees, and equity investments that utilize capital to support a charitable project or activity. They help extend the reach of the trust's grantmaking by aiding grantees in attracting other conventional sources of capital. Online application.

Responsive Grants

Responsive Grants are awarded for a wide array of activities in the areas of human services, health, affordable housing, community development, conservation and environment, public affairs, arts and culture and education. They generally range from \$41,000 to \$300,000, with grant periods from one to three (and occasionally three) years. Responsive grants help support many kinds of projects, including core operating support, strengthening organizations, building and renovating facilities, and program support. Such grants are limited to organizations operating in Oregon and Clark County, WA. Guidelines and application process available on the Trust's web site. All applications online.

Program Area(s)

The grantmaker has identified the following area(s) of interest:

Day of Caring

The Standard regularly offers volunteer opportunities for employees and their families. This includes activities that range from a two- to eight-hour commitment and are scheduled during work hours as well as weekends to accommodate schedules and family activities. All regular full- and part-time employees are eligible to receive up to 8 hours of company-paid time annually to volunteer in their communities.

Dollars for Doers

The Standard supports employees who volunteer their time to community nonprofits by offering corporate contributions to the organizations where employees volunteer. Through the annual Dollars for Doers program, employees who volunteer at least 20 hours a year at an eligible nonprofit can apply for a corporate contribution.

Employee Giving Campaign and Corporate Matching Gift Program

The annual Employee Giving Campaign gives employees and retirees the chance to donate to the eligible 501(c)(3) nonprofit organization or educational institution of their choice and have their donation matched dollar-for-dollar up to \$10,000 per employee by The Standard. The program is available to all regular, part-time, and full-time employees and retirees.

Jeans Day Program

The Jeans Day Program allows employees to donate \$100 to a nonprofit partner - in exchange they can wear jeans every Friday. The Standard matches each donation dollar for dollar, and in 2011 this partnership raised more than \$200,000 for food banks in the U.S.

Volunteer Expo

Each September, The Standard hosts Oregon's largest Volunteer Expo in Portland, OR and Cincinnati, OH, to help connect employees and members of the community with the local volunteer opportunities that match their interests and expertise. Representatives from local and national nonprofits share their mission and volunteer opportunities.
